## PROFESSIONAL SUMMARY

Results-driven sales, operations, and customer retention professional with experience in telecommunications, analytics, project coordination, and client relationship management. Proven ability to increase revenue, retain customers, coordinate cross-functional teams, and streamline operational processes in fast-paced environments. Strong background in CRM systems, data analysis, Tableau, SQL, and customer-facing communication. Adaptable, tech-savvy, and experienced in both remote and hybrid work environments.

## PROFESSIONAL EXPERIENCE

### **Victra Wireless — Sales Consultant**

*Boynton Beach & Delray Beach, FL | April 2025 – Present*

- Delivered tailored wireless and technology solutions based on customer needs analysis.
- Built long-term customer relationships through consultative sales and customer-first service.
- Utilized Verizon sales systems and CRM platforms to process activations, upgrades, and issue resolution.
- Assisted customers with product education, troubleshooting, and account optimization.

### **HoquePlus Inc — Associate Project Manager**

*West Palm Beach, FL | April 2024 – April 2025*

- Coordinated Airbnb renovation and rental conversion projects across multiple teams and vendors.
- Managed project timelines, construction updates, and operational reporting for clients.
- Created presentations, project trackers, and progress documentation for stakeholders.
- Oversaw communication between contractors, project managers, and ownership teams.

### **Optimum — Retention Loyalty Specialist**

*Piscataway, NJ | October 2022 – April 2024*

- Managed 20–45 customer interactions daily focused on retention, account recovery, and upselling.
- Reduced customer churn by identifying service pain points and recommending customized solutions.
- Used CRM and analytics tools to optimize customer packages and improve account satisfaction.
- Increased company revenue through strategic product upgrades and retention offers.

### **818 Global Inc. — Marketing Analyst**

*Cranford, NJ | December 2020 – December 2021*

- Managed and organized company datasets using SQL, spreadsheets, and reporting tools.
- Built Tableau dashboards and KPI visualizations that reduced manual reporting time.

- Collaborated with sales teams to identify performance trends and support strategic decisions.

**Amazon — Warehouse Associate**

*Avenel, NJ | December 2019 – July 2020*

- Collaborated with HR teams on workflow improvement initiatives.
- Helped develop employee retention-focused operational recommendations.
